

ARCKA "Assessing, recognizing competences and certifying knowledge acquisition valuing human capital of children of foreign origin in education and training in Europe"

Project Number: HOME/2009/EIFX/CA/1880

Project co-financed under the European Integration Fund

- ARCKA -

Assessing, Recognizing Competences and Certifying Knowledge Acquisition. Valuing human capital of children of foreign origin in education and training in Europe

WP4: Needs for the toolkit of good practices

Hannover, 23° - 24° of February

ARCKA "Assessing, recognizing competences and certifying knowledge acquisition valuing human capital of children of foreign origin in education and training in Europe"

Project Number: HOME/2009/EIFX/CA/1880

Project co-financed under the European Integration Fund

Good practices: the story so far

- Collection of practices TCN-related in own country
- Ranking of good practices
- Selection of good practices
- Presentation in Hannover

- Synergia is in charge of elaboration of a **toolkit of good practice**

ARCKA “Assessing, recognizing competences and certifying knowledge acquisition valuing human capital of children of foreign origin in education and training in Europe”

Project Number: HOME/2009/EIFX/CA/1880

Project co-financed under the European Integration Fund

STRUCTURE OF THE TOOLKIT OF GOOD PRACTICES

ARCKA "Assessing, recognizing competences and certifying knowledge acquisition valuing human capital of children of foreign origin in education and training in Europe"

Project Number: HOME/2009/EIFX/CA/1880

Project co-financed under the European Integration Fund

1. Introduction

- Presentation of the carried out activities
- Methodology used for the selection of good practices (main dimensions and ranking)
- Presentation of the mapping form used for the collection of information

ARCKA "Assessing, recognizing competences and certifying knowledge acquisition valuing human capital of children of foreign origin in education and training in Europe"

Project Number: HOME/2009/EIFX/CA/1880

Project co-financed under the European Integration Fund

2. Good practices album

- Presentation of good practices brought by every ARCKA partner in the Staff Exchange in Hannover
- Information collected from:
 - WP4 National reports (mapping forms)
 - presentations in Hannover

ARCKA "Assessing, recognizing competences and certifying knowledge acquisition valuing human capital of children of foreign origin in education and training in Europe"

Project Number: HOME/2009/EIFX/CA/1880

Project co-financed under the European Integration Fund

3. Comparative conclusions

- Summary of results from WP3 and WP4
- Main focuses emerged from Staff Exchange in Hannover
- Main dimensions and characteristics of good practices in every country and at European level

ARCKA "Assessing, recognizing competences and certifying knowledge acquisition valuing human capital of children of foreign origin in education and training in Europe"

Project Number: HOME/2009/EIFX/CA/1880

Project co-financed under the European Integration Fund

What we need from ARCKA partners for the toolkit of good practices

Mapping forms filled out with information on various selected good practices (from WP4 report)

Presentation of good practices for Staff Exchange in Hannover (.ppt or .doc)

Discussion outcomes from Staff Exchange (minutes of the meeting)

Timing:
